

TRAIL #12 PANGUITCH TO BEAVER

Departure Time 8:00 A.M.
Length: Approximately 100+ miles
Time: Approximately 8+ hours
Skill Level: Moderate
No Trail Restrictions

This scenic ride will leave promptly at 8:00 a.m. from rally headquarters due to the length of the ride. Upon leaving rally headquarters this ride will go up Three Mile Creek and over a steep rocky trail that will take us into Bear Valley. On this part of the ride we will be riding through sagebrush covered flats and then climb over more mountainous terrain which will drop us in to Buckskin Valley. As the ride continues through Buskin Valley over to the Fremont Trail we will again start another climb over the mountains and on into Beaver.

On the return ride back towards Panguitch we will cover some of the trail previously taken to Beaver that will then take us back to the Fremont Trail and up over Dog Valley and then on to Panguitch. This ride will have several stops so be sure to bring your camera, your lunch and extra gas if needed
