

## TRAIL #7 YANKEE RESERVOIR LOOP

**Early Departure 8:00 A.M.**  
**Length: Approximately 90 Miles**  
**Time: Approximately 8 Hours**  
**Rider Skill Level: Advanced**

**No Size Restrictions**

For you returning riders, this ride is not the same as last year. The route has been dramatically changed. Instead of trailering to Panguitch Lake, riders will leave from Panguitch traveling west to Five Mile Ridge. This length of trail is home to the famous "Rock Garden". After shaking, climbing over and around this intense rock bed you will continue on to Panguitch Lake and up Clear Creek to the top of the mountain. After stopping to enjoy the view you will drop down to beautiful Yankee Reservoir which is a good place to stop and stretch. Restrooms are located here. The ride continues through Sydney Valley, crossing Highway 143 looping back down the mountain through Sage Hen Hollow and back to town. This is an intense ride and will take your full day to complete. This is an **ADVANCED** skill level ride encouraged by the "Rock Garden" and descent down to Yankee Reservoir. Bring your lunch and extra gas.
