

## TRAIL #14 SANFORD CREEK LOOP

Departure Time 8:30 A.M.  
Length: Approximately 50 miles  
Time: Approximately 5-6 hours  
Skill Level: Moderate  
No Trail Restrictions

This ride is designed for women, men are invited however, and we encourage the women to drive. This ride starts at the fair building and goes to the Limekiln Trail. We will stop and walk up washes and stream beds to see and collect agate rocks. The trail then continues on to the Sandford Creek Trail. Here we will stop and smell the flowers and identify native plants and trees. Bring a lunch as we will be having a picnic next to the creek. We will continue on following the trail along the creek. There is a cave to see and possibly climb to if desired. This will be a leisurely ride.
